With its CZ 557 series, Česká zbrojovka enters the land of 21st century weapons and again reaches the peak in the field of hunting bolt action centerfire rifles. CZ 557 combines the decades of weapons designing and manufacturing experience along with user experience of hunters resulting in using the most advanced materials and technologies. All this gave rise to a modern centerfire rifle having traditional appearance and unique user properties which are appreciated by all shooters, from beginners to professionals firing thousands of rounds a year.

Characteristic features of CZ 557 series

- A receiver made of one piece of material with integral dovetail for mounting a riflescope
