Opis produktu

CZ 557 SYNTHETIC are models with or without sights that are distinguished for their ergonomic universal plastic stock with soft-touch surface. This unique stock, designed specially for this model, is fitted with originally designed engravings, a higher ridge, a strong butt and an extended fore-end. CZ 557 SYNTHETIC is an ideal model for modern users who demand a powerful and yet inexpensive rifle resistant to climatic influences.

With its CZ 557 series, Česká zbrojovka enters the land of 21st century weapons and again reaches the peak in the field of hunting bolt action centerfire rifles. CZ 557 combines the decades of weapons designing and manufacturing experience along with user experience of hunters resulting in using the most advanced materials and technologies. All this gave rise to a modern centerfire rifle having traditional appearance and unique user properties which are appreciated by all shooters, from beginners to professionals firing thousands of rounds a year.
